Boss & Boss

Game-based HR & compliance session for Malaysian workplaces

The problem

Employment-law and people-management training is important, but slide decks are forgotten by lunch. Managers rarely practise the actual decisions.

The session

Participants run a company in a swipe game. Every week, a staff member walks in with a real Malaysian workplace situation. Every choice moves cash, morale, compliance and reputation.

How it runs (45 minutes)

5 min
Intro: you're the boss *and* the HR

15 min
Play on own phone, same situations for all

3 min
Send results to trainer by WhatsApp

22 min
Live debrief on the room's choices

What the debrief shows

- ✓ Which legal shortcuts people took, and what the law says
- ✓ Decisions where the room split, for discussion
- ✓ Hidden hiring-bias patterns (age, gender, origin...)
- ✓ Each person's HR style: people-first vs profit-first
- ✓ CSV summary for your training records

Topics covered

- ✓ Working hours & overtime, rest days
- ✓ EPF, minimum wage, wage payment
- ✓ Maternity, paternity, flexible work
- ✓ Harassment complaints, misconduct, inquiries
- ✓ Safety (OSHA), data (PDPA), fair retrenchment

Tailored to your industry

E&E · palm oil · oil & gas · F&B · hospitality · construction · logistics · banking · healthcare · tech, or a general SME setting.

Languages

English · Bahasa Melayu · 华文 · தமிழ்

Practical

- ✓ No app install, no login, works offline
- ✓ Any phone, tablet or laptop
- ✓ Nothing stored on a server
- ✓ Add-on to leadership, HR or compliance programmes

Employment rules are simplified for learning; not legal advice.

Pilot sessions available
